## [RUSH] MESSAGE:

① There is material or subject of matter which explains the allowable claims. Therefore, the final set of claims and the index are seen as disagreeing entities. Please advise.

Thanks

## [XRUSH] RESPONSE:

I don't understand what you're asking. NCA 2/6/06 allows claims 1-18 and 38-43. IIFW 2/6/06 shows 24 claims allowed (the correct total) and "same enter" box checked. These claims correspond to applicant's election of 10/31/05. Claim set is the claims as filed. Publish only the allowed claims → 1-18, 38-43.

INITIALS: df

NOTE: This form will be included as part of the official USPTO record, with the Response document coded as XRUSH.
